SUBJECT: Claim of Objection to Proof of Claim in relation to case number 27046 and Docket number 12325

Dear Sir/Madam,

I am writing this letter to object to the proposed Deficient Claim. This objection is based on an important factor that I hope the council will take into consideration. I believe that the board ruling, has not fully considered the interest of my claim. I urge you to take into consideration the facts that are provided below.

1. The evidence that I provide, will show that I worked for the Department of Education for 27 years, and I paid into to my Retirement fund during all those years of service. I've included a copy of the statement that shows how much time, and the monetary contributions I have made into my retirement fund.

I hope that you would take into consideration the evidence that I am providing and reconsider your decision.

Sincerely,

Diana H. Ares Brooks

Enclosed:

1. Proof of Claim
2. Statement of Retirement (Estado de cuenta Ley 3 Retiro)
